

## Last NOV Review Checklist

After you have verified that the NOV will be issued in accordance with VA timeliness standards, you should conduct a final review of the NOV. Use this checklist as an aid to help you remember what to check in your last review before submitting the NOV.

Place a check next to each item as you complete it.

- Confirm the information on the NOV matches the appraisal report.
- Confirm the Veteran's name is spelled correctly.
- Confirm the property address on the NOV matches the address reported in the appraisal.
- Confirm the property value is supported.
- Confirm the required NOV conditions are appropriate and applicable.
- Confirm the reported information on the NOV is correct.
